## NEW FIELD OPENING

9.2.2010 - 9.5.2010

### DEAR FIELD HOCKEY ALUMNAE AND FRIENDS,

The Ohio State University and the Department of Athletics would like to invite you back to campus to enjoy a weekend dedicated to Field Hockey. We will be celebrating the grand opening of the new turf field as a sign of the University's strengthening commitment to the Field Hockey program. We would like to welcome Field Hockey alumnae and your families back to witness this piece of Ohio State history and to cheer your alma mater as they play on the new field.

We have a packed weekend planned for you: an opportunity to watch the Thursday night football game played in Ohio Stadium against Marshall on September 2, 2010; the Field Hockey Turf Opening and OSU game against Syracuse University on Friday, September 3; an alumnae reception Friday after the OSU Buckeyes take on Syracuse and an opportunity for former players and the club team to use the new field on Saturday, September 4. While visiting campus, be sure to check out the new Ohio Union, the renovated library and RPAC; and finally, the Field Hockey game against Kent State University on Sunday, September 5th.

Field Hockey has seen tremendous progress due to the great support of donors and alumnae like you. The program has its own discretionary fund to subsidize the expenses the budget does not cover. For Coach Wilkinson, her staff and the future Buckeyes who will play here, fundraising is vital to continue the success and advancement of the Field Hockey program. The Department of Athletics is a self-sustaining operation and receives no state or university funds.

We hope to see you September 2nd. The alumnae weekend will be a great time to reminisce with past and current players and to support your Buckeyes. Even if you cannot attend, please consider one of many opportunities to support the Field Hockey program – either by sponsoring a teammate to attend the alumnae weekend or supporting the discretionary fund.

We hope you can join us in celebrating Ohio State's commitment to the Field Hockey program. It is exciting to be a Buckeye and now is the time to honor our past and celebrate our future!
